In 2018, Ideal Protein at Pharmacy Solutions helped participants lose over 2,250 pounds!

One-on-one coaching and easy to manage protocol make losing weight and keeping it off more achievable than ever! Ideal Protein is a normal protein, low carbohydrate eating plan that allows your body to burn fat for fuel while maintaining muscle.

Its time to get your health back on track!

Then we easily
tire when walking
with friends
or when playing
with the kids

At first, our clothes are just a bit snug...

Before

After

Jay and Lesa

Combined weight loss of 120 pounds
